

Announcing... Sears Contract Sales is now

Sears

Commercial

This new name better symbolizes our expanding range of products and services.

Of course, you can still count on the same complete appliance resource you've come to know with Sears Contract Sales:

- America's only source delivering America's top 8 best selling appliance brands and more
- Local, professional support
- Convenient one-call National Order Management Center, 1-800-359-2000
- On-time local deliveries
- Peace-of-mind after sales service

But what has changed is our new, expanded lines of innovative products...all designed to help grow your business. Now, you can choose from a wide variety of competitively priced items, including Craftsman garage storage, Sealy and Sears-O-Pedic mattresses, NordicTrack exercise equipment, Craftsman lawn tractors, Kenmore grills and more.

Remember, we have a new name, but we're still the same great company. We just added more advantages to serve you better.

If you have any questions or would like to discuss any of these new expanding product lines, please don't hesitate to contact us.
